Stan Palmer Ford release limited edition M-Sport Fiesta TDCi

M-Sport, the company behind two-time FIA World Rally Champions Ford, have just released a limited edition Ford Fiesta TDCi in conjunction Cumbrian dealer Stan Palmer Ford Ltd.

As the first car ever sanctioned by M-Sport and Managing Director Malcolm Wilson a maximum number of 50 will be produced all with a 1.6 TDCi Zetec S diesel engine. The Fiesta has also been devised to emulate the look of the rally going version which has become a worldwide phenomenon for one-make championship rallying.

Features include: 7" x 17" M-Sport / OZ branded racing wheels in anthracite, anthracite leather with blue Alcantara centre panels and door cards plus M-Sport logo stitched into the two front seats in white, M-Sport graphic in anthracite on two front doors and tailgate and a numbered limited edition M-Sport dash plaque in brushed aluminium, M-Sport steering wheel insert, M-Sport gear lever insert, M-Sport brushed aluminium sill plates and M-Sport carpet mats.

The M-Sport Fiesta also offers, as an option, the Bluefin power upgrade system giving the vehicle some 21 extra bhp for a mere £500 more.

This car has been designed to offer buyers a sporty alternative without high priced running costs. With its state-of-the-art TDCi Zetec S diesel engine it can achieve up to 64 mpg and, with a CO₂ emissions showing of just 118g/km, will cost a mere £35 for one full years road tax.

With a limited run of 50 this amazing offer is only available exclusively through Stan Palmer Ford and is your chance to own a limited edition vehicle certified by World Rally Championship winning team M-Sport. With over £2500 of unique extras this car is available for £13,495, which is just £1,000 more than a standard Fiesta Diesel Zetec S.

For more information on this amazing new production please visit Stan Palmer Ford at <http://www.stanpalmerford.co.uk/> or alternatively contact the dealer on +44 (0) 1697 343 361.
